initial set-up costs: \$2,100

we focus on the client by selecting materials that blend with and complement the existing surroundings. the result is an impressive donor wall that harmonizes with the space and provides escalating levels of permanent recognition in accordance to each donor's level of contribution.

wall art panels

wall art panels

We think of a plaque as a recognition award, but it can also serve other purposes, such as this series of wall art panels. These high-quality, direct-imprinted wood plaques, measuring 5/8" thick, take the place of framed prints you might otherwise expect in an immediate care center waiting room environment. Each art panel features a back-beveled "infinity" black edge for a floating effect.
